Preface

Shortlisting is a pre-tender process that provides for a shortlist of providers from which providers are obtained to bid. Shortlisting is used where works, services or supplies are of a routine nature or bidding is for a group of similar contracts. Shortlisting shall be open to all providers and providers shall be invited using a short list notice.

A short list notice shall be published in at least one publication of wide circulation to ensure effective competition.

The shortlisting document is divided into:

- Part I: General Part
- Part II: Instructions to Bidders
- Part III: Preparation of Applications
- Part IV: Submission of Applications
- Part V: Opening and Evaluation of Applications
- Part VI: Short listing

Appendices:

- A: Application Submission Sheet
- B: Statement of Requirements
- C: Evaluation Criteria

PART I: GENERAL PART

1.1 Scope of Application

- 1.1.1 Health Service Commission invites applications for the short list of works, services and supplies described in **Appendix B**.
- 1.1.2 Throughout this document:
- (a) the “Applicant” means the bidder submitting an application; and
 - (b) “Application” means a bid or submission to be short-listed.

As defined in the Public Procurement and Disposal of Public Assets Act and Regulations, 2003 of the Government of Uganda.

1.2 Source of Funds

- 1.2.1 Health Service Commission has an approved budget from Government funds towards the cost of the procurements described in **Appendix B**. The Procuring and Disposing Entity intends to use these funds for payments under the contract(s) resulting from the bidding for which this short list is conducted.

1.3 Corrupt Practices

- 1.3.1 It is the Government of Uganda’s policy to require that Procuring and Disposing Entities, as well as Applicants, Providers and Providers, observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, the Government of Uganda represented by the Public Procurement and Disposal of Public Assets Authority (herein referred to as the Authority):
- (a) defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) “fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, non competitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;
 - (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
 - (c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, a Government contract.

- 1.3.2 In pursuit of the policy, the Government of Uganda requires representatives of both the Procuring and Disposing Entity and of Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Providers is available from the Authority and Providers are required to indicate their acceptance of this code through the declarations in the **Application Submission Sheet**.

PART II: INSTRUCTIONS TO PROVIDERS

2.1 Introduction

Health Service Commission will evaluate and short list all eligible companies for the provision of various works, services or supplies for the Financial Years **2021/2022, 2022/2023, 2023/2024**. Once a firm has been short listed, it will be invited, several times during the financial year, to submit a proposal for the provision of some or all of the works, services or supplies. Health Service Commission reserves the right to add similar types of works, services or supplies to the list in *Appendix B*.

2.2 Objectives

Health Service Commission invites sealed Applications from reputable providers for works, services or supplies for the provision of various works, services or supplies for 3 Financial Years **2021/2022, 2022/2023, 2023/2024**.

The list of items required during the above mentioned financial year is given in *Appendix B*. Procuring and Disposing Entities should note that the works, services or supplies are not restricted to those listed in *Appendix B*.

2.3 Eligible Applicants and Countries

2.3.1 An Applicant, and all parties constituting the Applicant, shall meet the following criteria to be eligible to participate in public procurement:

- (a) the applicant has the legal capacity to enter into a contract;
- (b) the applicant is not:
 - (i) insolvent;
 - (ii) in receivership;
 - (iii) bankrupt; or
 - (iv) being wound up
- (c) the applicant's business activities have not been suspended;
- (d) the applicant is not the subject of legal proceedings for any of the circumstances in (b); and
- (e) the applicant has fulfilled his or her obligations to pay taxes and social security contributions.

2.3.2 All countries are eligible except countries subject to the following provisions.
A country shall not be eligible if:

- (a) as a matter of law or official regulation, the Government of Uganda prohibits commercial relations with that country, provided that the Government of Uganda is

satisfied that such exclusion does not preclude effective competition for the provision of supplies or related services required; or

- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the Government of Uganda prohibits any import of Supplies from that country or any payments to persons or entities in that country”.

- 2.3.3 An Applicant shall be a natural person, private entity, government-owned entity, subject to 2.3.9, or any combination of them with the formal intent to enter into an agreement or under an existing agreement in the form of a joint venture, consortium or association. In the case of a joint venture, consortium or association, unless otherwise specified in the **Application Submission Sheet**, all parties shall be jointly and severally liable.
- 2.3.4 An Applicant and all parties constituting the Applicant shall have the nationality of an eligible country. An Applicant shall be deemed to have the nationality of a country if the Applicant is a citizen, or is constituted, incorporated or registered and operates in conformity with the provisions of the laws of that country.
- 2.3.5 This criterion shall also apply to the determination of the nationality of proposed subcontractors or providers for any part of the Contract including related services.
- 2.3.6 Applicants shall not have a conflict of interest. All Applicants found to be in conflict of interest shall be disqualified. Applicants shall be considered to have a conflict of interest with one or more parties in this shortlisting process, if they:
 - (a) have controlling shareholders in common; or
 - (b) receive or have received any direct or indirect subsidy from any of them; or
 - (c) have the same legal representative for purposes of this application; or

- 2.3.7 A firm shall submit only one bid in the same bidding process, either individually as a Bidder or as a partner of a joint venture. No firm can be a subcontractor while submitting a bid individually or as a party of a joint venture in the same bidding process. A firm, if acting in the capacity of Subcontractor in any bid, may participate in more than one bid, but only in that capacity. A Bidder who submits, or participates in, more than one bid will cause all the proposals in which the Bidder has participated to be disqualified.
- 2.3.8 A firm that is under a declaration of suspension by the Authority at the date of submission of the application or thereafter, shall be disqualified.
- 2.3.9 Government-owned entities in Uganda shall be eligible only if they can establish that they are legally and financially autonomous, and operate under commercial law, and that they are not a dependent agency of the Procuring and Disposing Entity.

2.3.10 Applicants shall provide such evidence of their continued eligibility satisfactory to the Procuring and Disposing Entity, as the Procuring and Disposing Entity shall reasonably request.
